The Jenzabar Student Information System (SIS), also known as learn.weill.cornell.edu, now includes a student billing portal to pay your bills online. The following guide can help you log in and navigate this service.

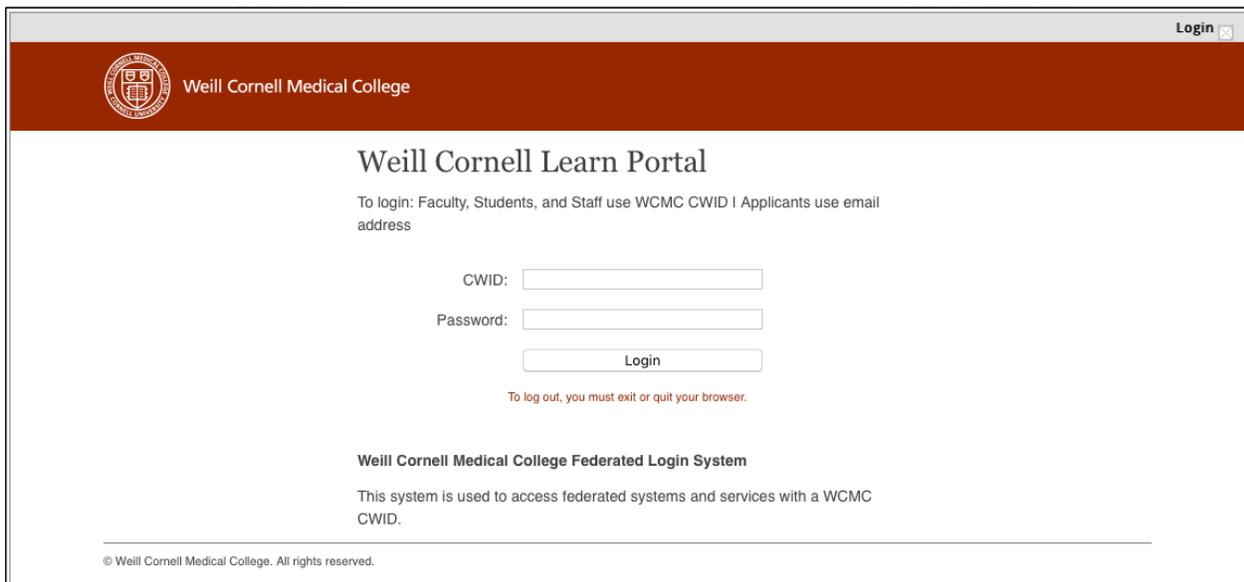

Logging In

1. In your browser, go to learn.weill.cornell.edu and click the Login button.

The screenshot shows the Weill Cornell Medical College website. At the top left is the college logo and name. At the top right is a "Login" button circled in red. Below the header is a navigation bar with "Home", "Admissions", "Academics", and "Campus Life". The main content area features a "Learn" section with a "Home" link, "Campus Resources" (including "Resources" with links to "Weill Cornell Webmail" and "Go to Main Screen"), and "Apply Online" (with a message: "There are currently no active applications in this portlet."). To the right is a "Campus Announcements" section with the message "You have no incoming announcements." and a "Show All Announcements" link. The footer contains "Privacy Policy", "About Us", "Contact Us", "Campus Directory", and "Powered by Jenzabar, v8.2.2".

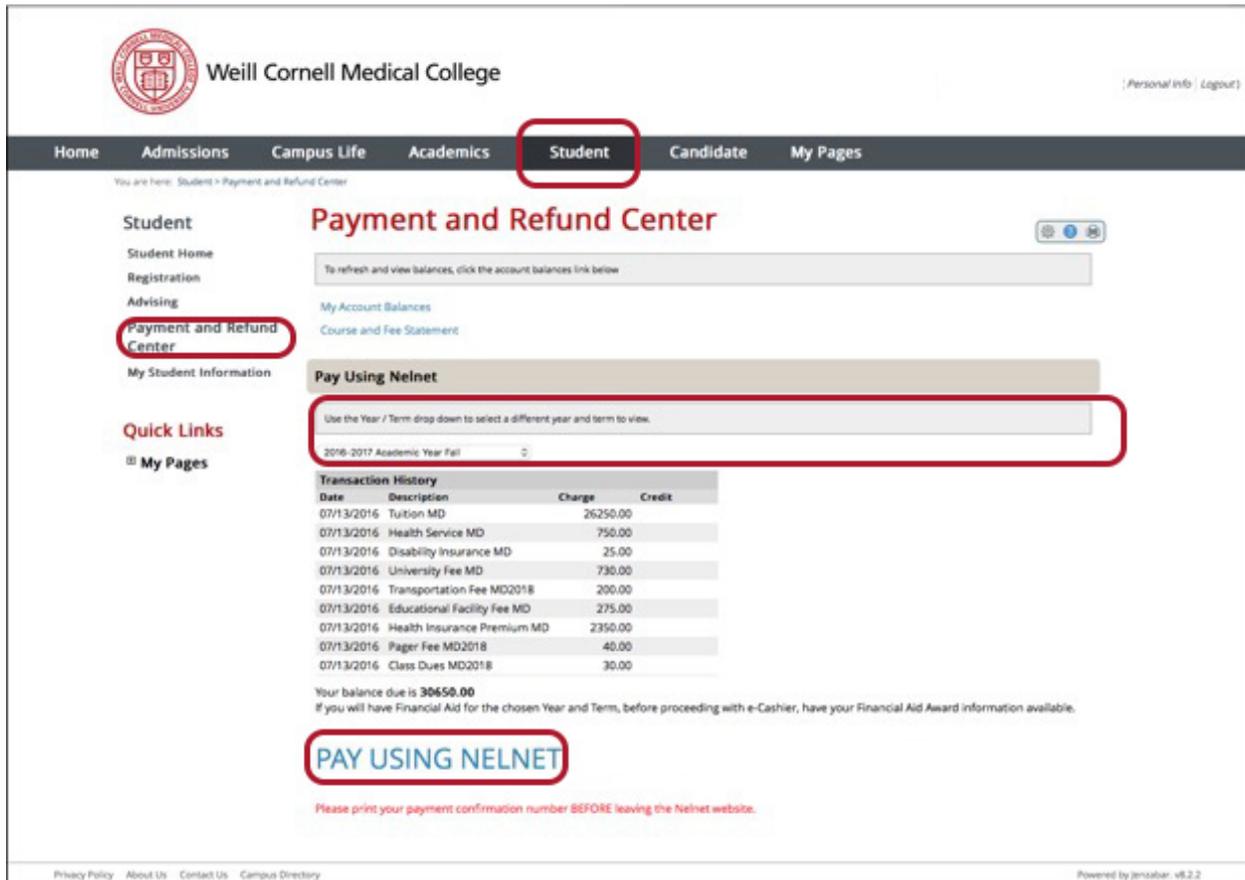

2. Enter your CWID (e.g., abc1234) and password in the pop-up window that appears, and click the Login button.

The screenshot shows the Weill Cornell Learn Portal login page. At the top left is the college logo and name. At the top right is a "Login" button with a close icon. The main content area features the title "Weill Cornell Learn Portal" and the text "To login: Faculty, Students, and Staff use WCMC CWID | Applicants use email address". Below this are input fields for "CWID:" and "Password:", followed by a "Login" button. A note states "To log out, you must exit or quit your browser." At the bottom, it says "Weill Cornell Medical College Federated Login System" and "This system is used to access federated systems and services with a WCMC CWID."
