TECH TUESDAYS

LEARN TECH QUICKLY & EASILY!

Tech Tuesdays are weekly demonstrations on various services ITS and the Wood Library offer to the WCMC community. Every Tuesday, we'll be showcasing services for researchers, faculty, staff and students in the library.

JANUARY 2016 SCHEDULE

DATE	TOPIC	PRESENTER
Tuesday, January 5	Lynda.com: Have you learned with Lynda yet? Check out some of the latest features available on this video learning system you can use any time.	Jason Goodman, ITS Training
Tuesday, January 12	ReCiter: Many authors share similar or identical names. Author name disambiguation is the process of determining which publications were actually written by a given person. ReCiter, an automated system designed for this purpose, helps keep researcher profiles on VIVO up-to-date with publication data.	Michael Bales & Paul Albert, Samuel J. Wood Library
Tuesday, January 26	SharePoint: Learn about this robust document management system and how you can use SharePoint sites to collaborate with colleagues.	Mohammad Mansour & Xiaobo Fuld, ITS

All demos take place from 12 noon - 12:30 pm at the Samuel J. Wood Library Collaboration Room, 1300 York Avenue
