Note: The name of each service directs you to its service catalog page on the ITS website, and the texts "Request" direct you to the appropriate Request form.

1.You can share with all .EDU, NYP and MSKCC amongst many other partners. Visit our website for a complete list: https://its.weill.cornell.edu/faq/can-i-share-files-on-onedrive-with-people-outside-of-wcm.

2. This storage service is not meant for backups. You can use CrashPlan which runs automatically and silently in the background, continuously protecting the data created and stored on your computer.
For more info: https://its.weill.cornell.edu/services/storage-servers/data-backup-security. info: https://its.weill.cornell.edu/services/storage-servers/data-backup-security.

3.Storage limits may change during contract renewals.

4.Basic SharePoint services come with OneDrive and Teams, but certain services require ITS support

5.Some SharePoint sites require access request

6.Certain SharePoint services come with associated costs

7.ITS managed cloud hosting only. Not available for Cloud for Co-Managed Solutions.

8. New external domains must be requested and approved.
